SCAB®
MADE IN ITALY

Scab.
Da oltre 55 anni, qualità e design made in Italy in tutto il mondo.

In oltre 55 anni di storia, la qualità Scab è diventata un punto di riferimento a livello internazionale nel settore degli articoli per la casa: una qualità costruita sulla competenza e il costante controllo delle materie prime e delle lavorazioni.

Attraverso processi rigorosi e tecnologie innovative, Scab trasforma nelle sue quattro unità produttive italiane alluminio, acciaio, polipropilene e telerie in prodotti pratici, resistenti, belli da usare e da vedere.

Grazie al know-how acquisito nel tempo sui materiali e sulle relative tecniche produttive, oggi Scab è in grado di realizzare ed esportare nel mondo una vasta gamma di prodotti per la casa, caratterizzati da massima funzionalità e grande attenzione ai particolari, con in più la piacevolezza del design made in Italy.

Per questo, dopo 55 anni di successi, tra tradizione e innovazione, Scab continua a rappresentare il marchio italiano leader nella qualità.

Scab.
For more than 55 years, the made in Italy quality and design all over the world.

Based on more than 55 years of experience, the Quality of SCAB products is an internationally recognised point of reference in household items: a quality which is the result of unsurpassed skills and constant checks on raw materials and manufacturing procedures.

Thanks to stringent manufacturing procedures and innovative technologies, the four Italian Scab manufacturing plants are capable of transforming aluminium, steel, polypropylene and fabrics into practical and sturdy products that are a pleasure to use and to look at.

A high level of raw material and production know-how, developed over the years, enables SCAB to successfully export its wide range of house products all over the world.
A range based on maximum functionality, attention to detail and the distinguishing "MADE IN ITALY" design.

This is the reason why, after 55 years of success, thanks to its outlook on tradition and innovation, Scab continues to be the leading quality brand in Italy.

Per il giardino e la casa si presta ad una infinità di usi.
Ideale per l'esterno, può contenere i cuscini delle sdraio e dei lettini evitando pieghe e stropicciature.
Con fori di aerazione e due comode maniglie.
Munito ad una estremità di ruote per facilitarne gli spostamenti.
Ha una capienza veramente notevole.

Maxi box is suitable for infinite uses.
It is ideal for outside, it may contain the cushions of your deckchairs and of your sun-beds, avoiding all creases and wrinkles.
Equipped with airing holes and two comfortable handles.
On one side wheels will make shifting easier.
It has a very remarkable capacity!
